Size Transitions

the largest
the next largest
larger than
equal to
the smallest
smaller than
the next smallest
the small-sized
the medium-sized
the large-sized
the tallest
the shortest

Importance Transitions

the best
the next best
the least best
the most important
equally important
the next important
the least important
the first
the last
more important than
most important
the worst

Time Transitions

at the beginning of
in the middle of
at the end of
after a short time
soon thereafter
by this time
at the same time
at that instant
first...then
next...at last
now...soon
then...later

thereafter...presently
immediately...simultaneously
before...in the mean time
meanwhile...during...after...afterwards
second...third...finally...in the morning
yesterday...before noon...in the afternoon...in the evening
today...tomorrow...the day after tomorrow
the first...a more recent...the most recent
in the past...in the present...in the future
the next day...two weeks later...six months later
this year...next year...in the next few years
the earliest...the next earliest
