Easter Bar Graph - (E)

Instruction : Each question represents the calories in an Easter candy. Create a bar graph to compare the calories in each candy. Color bars less than 645 red, bars greater than 645 yellow, and bars equal to 645 green.

241 + 452	633 - 342	178 ÷ 89	208 + 452
908 + 90	132 + 33	63 x 3	87 x 9
131 x 3	97 x 9	113 + 532	999 ÷ 37
732 + 142			

Question no.

Are there more candies with calories less than 645, greater than 645, or equal to 645?

Happy Easter from Math-Drills.Com!
