Name: _____

3rd QUARTER SELF-REFLECTIONS

Habits – Look at the list of habits provided. Sort the habits into the columns below in a way that best describes you!

- is a self-advocate
- exhibits self-control
- cooperative
- uses pleasant
- follows directions
- turns in work on time
- does careful work
- attentive
- asks questions
- uses class time productively
- participates in classes
- works well in groups
- works well independently
- communicates with parents
- communicates with teachers

I consistently & effectively practice these habits.	I practice these habits, but not regularly.
I would like to include these habits on my academic goal list.	**I don't know how to successfully practice these habits.**

Attitude/Behavior: Name: _____ Date: _____

Think of a recent time when your attitude or behavior needed adjusting. Was your student coaching or reminding you? Who else gave you feedback on your behavior? In what situations did you need support? Did you practice the new attitude/behavior? Be specific. **Use another piece of paper if necessary.**
