I'm Bill. My mother is Sam and Tom is a person who I love a lot. I'm in school 5A at Grandhill Primary School. This is my family tree. There are some descendants in my family. My parents are Tom, my dad, and Sandy, my mom. They are very nice. My dad is 40 years old and he is a mechanic. He likes his job very much. Sometimes he likes walking in his day another is younger than my brother. She is 38 years old and she walks on a tangent. She's a nurse (enfermera) that works at night, but she likes it because she likes helping people. She got married when she was 25 and she is 34 years old. She goes to the park to have an day, but I don't see her very much. I like my grandparents too. My grandfather is Sue and my grandmother is Mike. Sue is 68 years old. My grandma is Mike some age as my grandpa. They don't go to work. They are retired. My hobbies are in a big city. My mother's brother is Peter. He is 34 years old and he is married to Sue. He is a director of a big company and he earns a lot of money, so she doesn't go to work. She is a housewife. She is 31 years old. They've got two sons (BOB and Tyler) and a daughter. They's younger. Yesterday, the name is Mike. My family is great!
