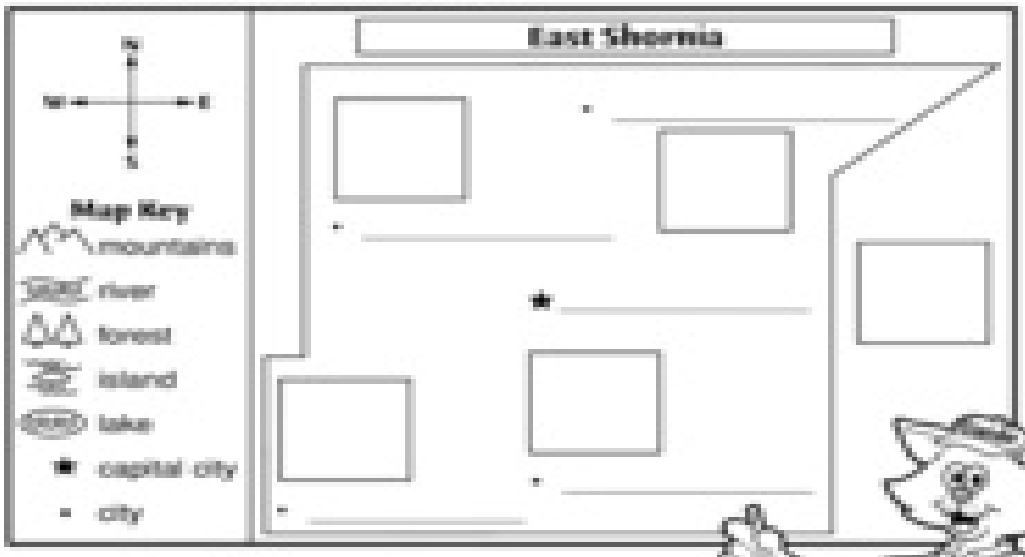
Using cardinal directions and a map key

A State to See

Draw the symbol for each landform on the map.
Use the clues.

- A lake is south of the capital city.
- A forest is west of the lake.
- An island is on the east side of East Shornia.
- Mountains are north of the forest.
- A river flows east of the mountains.



Write the name of each city on the map.

1. Freetown is the capital city.
2. Clark is north of the river.
3. Mills is south of the forest.
4. Lakewood is south of the lake.
5. Horner is west of the river.
