READING & WRITING

Read Sandy's letter to Zane.

Dear Zane,

Hi. From San Diego Zoo it's great here. There are lots of animals! There are brown bears from America and there are six little kangaroos from Australia. There are five big tigers. They are from Africa. They eat meat. There is a little baby tiger. His name is Tiggy and he is very sweet. I'm not scared of tigers!

In San Diego Zoo, there are pandas, too. They are black and white. They are very sweet. And there is a good cafe. It has get excellent cocktail! Yummy!

Love,

Sandy
