Please describe your complete response to every part of the following questions.

1. What do you want to gain?

I want to be able to obtain a career where I can raise my two small children and provide a strong stable life for them. I want a career where I have stability, a sense of belonging and the ability to stay and raise with the company I join.

2. Why do you want to go to school to get your degree?

I want to obtain my degree so I can provide the best life possible for my two small children. I also want to be able to obtain a career and not just a job. Along with bettering myself and to show my two children that school is very important and that it is never to late to go to school and further your education.

3. Are you currently employed? If so, what is your title and what are your main responsibilities?

I am not currently employed. I have been looking for a job but have not had any luck on the search so far (2017-2021).
