How do you best describe yourself in terms of the following questions?

- 1. What do you want to gain?

I want to be able to obtain a career where I can raise my two small children and provide a strong stable life for them. I want a career where I have stability, a sense of belonging and the ability to stay and raise with the company I join.
- 2. Why do you want to go to school to get your degree?

I want to obtain my degree so I can provide the best life possible for my two small children. I also want to be able to obtain a career and not just a job. Along with bettering myself and to show my two children that school is very important and that it is never too late to go to school and further your education.
- 3. Are you currently employed? If so, what is your title and what are your main responsibilities?

I am not currently employed. I have been looking for a job but have not had any luck on the search so far (2017-2021).
