

Name _____

Raisin Experiment

question:

When I put raisins in Sprite, what will happen?

my hypothesis:

- a) I think the raisins will explode.
 - B) I think the raisins will sink to the bottom.
 - C) I think the raisins will dance up and down.
 - D) I think the raisins will float to the top.
 - E) I think:
-
-

conclusion: Draw a picture and write about what happened in our experiment.
