

## The Family farm

There once was a man who loved working on his farm with his family. This man had gone to the forest to find some apples for that his wife was to prepare a delicious pie. But when he came to the place he saw as that tree was full of red apples.

The farmer was visiting his brown horse. He stopped under the tree. He reached out and picked an apple off a branch. He let taste the new apple. He enjoyed the apple. The farmer picked another apple off the tree. He gave it to the horse. The farmer put a dozen apples into a bag. He rode the horse back home.

He put the horse in the barn. He walked into his house. There was his wife finishing her dinner. She needed the apples and berries for the pie to cook. When she heard the voice of her husband, she went to the living room and she kissed him on the face. Both saw a mouse and ate ice cream, then, your pet came and started meowing for some minutes. So Sofia gave the cat a bowl of warm milk.
