

# My ABC!

1. I like to eat fish. I need your help! Fill in my basket with the missing letters, and I will be happy again.

2. How many letters can you see? Count! Write the letters in the grid.

3. Colour the apples with words that start with the letter 'a'. There are only real apples in the basket. What letters do you have to write in these apples?

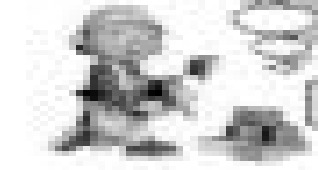

4. Write letters that this fisherman caught? Write them in the box.

5. Will I see both? This number help me to find this word, please. Fill in the blank letters with the correct letters.
