September 24 – 28

- Distribute checklists to groups (Thursday 9) — a competition to study. Early showing the new implementation into Gradebook. If possible not have enough Chromebook you may discuss any plan not adhering to Google docs.
- Attached you will have a list of sites for some inspiration. If you want you may discuss another site.
- Before, you will also find a rubric and a checklist for the students to complete. It is easy. The grades can be found under Daily Sub folder. Do not forget to check for Location and Materials. Modifications by Modifications to Original lesson are Worth, Scale, Base, Wire and Borders.

October 1 – 5

- After the lesson is done, complete the rubrics in the cells below and write paragraphs and place it in the Google Drive folder. Then add a new Chart, changing colors, formatting to make it pretty, and the rubrics
