'Who are they? Where are they from? What are they wearing?'

Five people are travelling on an airplane. Their names are Andrew, Matthew, Mark, Jane and Bob. They are all from different countries. Those countries are Singapore, South Africa, France, Canada and Japan. They are all wearing something strange. Those strange things are a hat, sunglasses, shorts, shoes and a coat. Three of them are boys and two are girls.

Use the clues to find who is sitting in which seat, where they are from, what they are wearing and if they are a boy or a girl.
