Chapter Summarizing Exercise

First Step: Writing the summary

1. Choose a chapter of your choice from the book
2. Pick out the important events in your chapter
3. Briefly talk about each event

*The summary should be in 3 to 5 sentences (no more, no less)
*It should contain ALL and ONLY the main events of the chapter (do not focus on just one event and do not include trivial events)
*It should talk about the whole chapter (from beginning to end)
*It should talk only about the events given in the chapter (do not include any opinions)
