

Splat wrote a letter to Santa.

Splat's sister asked him if he R-E-A-L-L-Y had been good

Splat washed the dishes...that weren't dirty.

Splat decorated the Christmas tree...that was already decorated.

Splat opened the door and was buried by a pile of snow.

Splat waited up all night for Santa.

Santa came to Splat's house without Splat seeing him.

Splat woke up on Christmas morning, but was not excited.

Splat's family jumped out from behind the couch with all of the presents.

Splat received the best Christmas present ever.
