### Simple and Compound Sentences Worksheet

A simple sentence has one subject part and one predicate part.  
A compound sentence has two or more simple sentences joined by **and**, **or**, or **but**.

**Directions:** Read each sentence below. If it is a simple sentence then write simple sentence. If it is a compound sentence, write the sentence and add a comma.

*Example A: Sarah walked in the library.*

*Answer: simple sentence*

1. John went to the show but he forgot his wallet.
