

Name: _____

Descriptive Writing (Plan)

Describe a Storm

Think of a storm you've seen or heard about before. What type of storm was it?

Where did you see or hear about this storm? (Were you there? Was it on TV?)

What did you see? What did you hear?

How did you feel? Who else was with you?

What else do you remember about the storm? Use the back of this paper to write your rough draft. Give as many other **details**, in order, as you can remember.
