

# Dictionary Dig

Words

**Learning Target:** I can use a dictionary to locate words and definitions.

1. Choose 10 words from your Spelling list.
2. Look them up in a dictionary using the guide words at the top of each page.
3. Write the spelling word, the dictionary page number and the guide words on the page where the word is found. Here's an example:

<b>Spelling Word</b>	<b>Page #</b>	<b>Guide Words</b>
tradition	240	tapir - trapeze

## **Brain Booster:**

Choose 5 words and write a riddle for each word. Your clues should give hints to what the word is.
