

MY STUDENTS DREW ME INTO  
ANOTHER POLITICAL ARGUMENT.

EH; IT HAPPENS.

LATELY, POLITICAL DEBATES BOTHER  
ME. THEY JUST SHOW HOW GOOD  
SMART PEOPLE ARE AT RATIONALIZING.

THE WORLD IS SO COMPLICATED - THE MORE  
I LEARN, THE LESS CLEAR ANYTHING GETS.  
THERE ARE TOO MANY IDEAS AND ARGUMENTS  
TO PICK AND CHOOSE FROM. HOW CAN I TRUST  
MYSELF TO KNOW THE TRUTH ABOUT ANYTHING?

AND IF EVERYTHING I KNOW  
IS SO SHAKY, WHAT ON EARTH  
AM I DOING TEACHING?

I GUESS YOU JUST DO  
YOUR BEST. NO ONE CAN  
IMPART PERFECT UNIVERSAL  
TRUTHS TO THEIR STUDENTS.

\*AHEM\*

... EXCEPT  
MATH TEACHERS.

THANK YOU.
