Number worksheets

Practice writing the number nine

Practice printing the word nine (9) by tracing word nine below.

The image shows a large grey rectangular area intended for tracing practice. At the top of this area, there are several rows of dotted lines forming the word 'nine' and the number '9'. The word 'nine' is written in a simple, sans-serif font. The number '9' is also in a simple, sans-serif font. The grid of dotted lines is partially obscured by a dark grey bar at the bottom of the page.
