Matching causes with effects

## Today in Sports

Cut apart the cause strips below.  
Glue each strip next to its matching effect.

Effect	Cause
Tickets were hard to get.	
The game was delayed.	
They played hard.	
The game went into overtime.	
Their fans were cheering.	
He was scoring well.	

© 2008 by Linda Ward Beech, Scholastic Teaching Resources

Many people wanted to see the game.

There was some lightning.

The Stripes wanted to win the title.

The players poured water on the coach.

The Stripes won the game.

The score was tied.
