

Name \_\_\_\_\_

Earth Day  
Conservation

## Saving for the Future

Saving the earth's resources is called conservation.  
Read each conservation tip below.  
Decide which resource is saved by following each tip.  
Copy the tip in the correct box.

 **Saves Water** 

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

 **Saves Energy** 

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

 **Saves Paper** 

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

**Conservation Tips**

- Ride your bike or walk instead of going by car.
- Reuse gift-wrapping paper.
- Take showers instead of baths.
- Close the refrigerator door right away.
- Turn off the water while you brush your teeth.
- Recycle newspaper.
- Turn off the TV when no one is watching.
- Write on both sides of your notebook paper.
- Watch for leaky faucets.

Now, think of one more way to save water, energy, and paper.  
Write a fourth conservation tip in each box.
