

Flashcard Fill-in: It's time to show what **Name:** _____

you know! Pick four facts and fill in the triangles.

Then, write the four number sentences below.

Four sets of horizontal lines for writing number sentences, each set corresponding to one of the triangles above. Each set consists of a solid top line, a dashed middle line, and a solid bottom line.

PROVE IT:

Pick ONE fact and show that you know it's right by drawing a picture below. You can use arrays, groups of, rows of or anything else that you know to prove your answer!
