

<p>Kindergarten Math Benchmark Assessments 3rd Trimester 2011 – 2012 Revised 7/26/2011</p>

NUMBER SENSE

1. Names Numbers 1 – 30 Out of Order

2	8	5	3	1
6	10	7	4	9
14	17	11	16	12
15	19	13	18	20
29	25	30	28	23
21	26	24	22	27

2. Counts Objects

1. Students correctly count 30 objects using 1 to 1 correspondence. Once an error is made, record the last number that was correctly counted to by the student. **If a student can represent 30 then the student is also able to count objects to 30. You do not need to administer this assessment. You can record 30 on the Individual Student Summary Form and the Class Summary Form.**
