

Name _____

Read the clues to find out what time Jane does each activity. Draw the time on the clock, and use the clock to put the pictures in sequential order, from the first to last activity. The duration of each activity is one half hour.

Jane brushes her teeth at 7:00 a.m.

Jane leaves for school at 8:30 a.m.

Jane always washes her face after brushing her teeth.

Jane takes a shower at 4:00 p.m.

Before she leaves for school, Jane brushes her hair.

Jane loves to have a snack just before taking a shower.
