

H Prime factors tree 9

Find the prime factors of the numbers

$$\underline{\quad} \times \underline{\quad} \times \underline{\quad} =$$

$$\underline{\quad} \times \underline{\quad} \times \underline{\quad} =$$

$$\underline{\quad} \times \underline{\quad} \times \underline{\quad} \times \underline{\quad} =$$

$$\underline{\quad} \times \underline{\quad} =$$

$$\underline{\quad} \times \underline{\quad} \times \underline{\quad} \times \underline{\quad} =$$

$$\underline{\quad} \times \underline{\quad} \times \underline{\quad} =$$
