

Question words

We ask questions when we want to find out things. Write these words that ask questions. Which is the odd one out? Say why.

who what why when where how

Write a question word and add a question mark to complete each sentence.

Remember: Sentences that ask questions have a question mark at the end.

_____ has been sitting in my chair

_____ do you live

I am six. _____ old are you

_____ does lunch time start

_____ do you like this book

Hello, _____ is your name
