

# ALL ABOUT ME

A large inverted triangle is the main container for the worksheet. At the top, the title "ALL ABOUT ME" is written in a bold, serif font. Inside the triangle, there are several smaller shapes: a large vertical rectangle on the left, a jagged star-like shape in the center, a tilted rectangle on the right, a horizontal rectangle below the star, a smaller tilted rectangle below that, and a small horizontal rectangle at the bottom. Each of these shapes has a label next to it, indicating where to write information.
