

## Christmas Rap (We will rock you)

*Words by N.F. Visjager-Peniston-Bird*

Santa and his sleigh  
Are coming today  
Rudolf with his red nose  
Is lighting the way  
The wind blows in his face  
The people say grace  
Wishing good will  
All over the place  
Merry, merry Christmas  
Merry, merry Christmas

The little Lord Jesus  
Has come to the world  
To save all us sinners  
Go spread the word  
We get presents under trees  
We fall to our knees  
Thanking God and heaven  
We get what we please  
Merry, merry Christmas  
Merry, merry Christmas
