

### AFTER HIGH SCHOOL PLAN

It's important to have a plan for life after high school. Use the space below to explore careers and colleges.

#### Career Plan

#### College and Postsecondary Education Plan

There are many options for education after high school: four-year colleges and universities, two-year community colleges, apprenticeship programs and the military.

What do I want to study after high school?	What specific college options do I want to learn more about?

Visit [www.kanncareersdata.org/plan](http://www.kanncareersdata.org/plan) for the steps to get to college and more ways to learn more about colleges that interest you.

#### Testing Plan

Check off the tests you plan to take. Some tests—like the ISTEP+ and the GQE—are required, so mark them right now. After you take the tests, record your results.
