

I think you-know-who will come looking for her.

But even more importantly,

Once we release her, they'll be so caught up in the emotion that they'll forget all about pursuing the culprits...

If she's alive, the police should be a good help to us as well...

But it doesn't matter. We need to keep the hostage alive as long as we can.

Shit, man, how'd that happen anyway?

You mean the guys on the bike who killed Taisei Aranami.

Oh...

But yeah, if they show up... it'll be their funeral.

There are enough guns in here to fight a small war.
