

# Review: Feedback

Name:		Criteria	Peer-assessment #1			Peer-assessment #2		
			Didn't	Tried	Did	Didn't	Tried	Did
1	Does the review persuade the reader to agree with the writer's opinion?							
2	Does the review provide evidence to support the ideas being discussed in each paragraph?							
3	Are a wide variety of persuasive devices (e.g. rhetorical questions, repetition, strong verbs and adverbs) used to enhance the writer's opinion?							
4	Is vocabulary varied, interesting and relevant to the film being reviewed?							
5	Are all sentences well structured and do they make sense?							
6	Is all punctuation correct?							
7	Are all words spelled correctly?							
8	Does the review include the correct structure including introduction, body and conclusion?							
9	Are connectives (e.g. also, similarly, furthermore) used effectively to show transitions between paragraphs?							
10	Have paragraphs been used correctly to help the reader follow the writer's argument?
