

**Expectations** – In this section, we will discuss the expectations of the teacher.

**Directions:** Read through the following scenarios and identify the teacher's expectation of the student. Write the expectation in the space provided.

1. \_\_\_\_\_ A student comes late to school to make a comment about what the teacher is doing.
2. \_\_\_\_\_ A student comes late to school to ask to use the bathroom while the teacher is giving directions.
3. \_\_\_\_\_ A teacher finds two students who play for talking to each other in class, but does not talk to the other students who were also talking.
4. \_\_\_\_\_ A student asks the teacher for a comment about what he has done and the teacher does not give a comment or "helped."
5. \_\_\_\_\_ A student gets out of his seat after the teacher has asked another student to answer a question.
6. \_\_\_\_\_ A student comes into class late and gets out fast immediately and begins the morning.
7. \_\_\_\_\_ A student is supposed to bring a book with her group helping the project, but he brings another cell phone instead.
8. \_\_\_\_\_ A student is doing homework for mathematics while at break time.
9. \_\_\_\_\_ A teacher comes to class unprepared.
10. \_\_\_\_\_ A student asks the teacher for a comment about the class.
11. \_\_\_\_\_ A student is giving directions to other students and her classmates say that they don't follow the directions because the teacher has had to add her own comment.
12. \_\_\_\_\_ A teacher finds that the class often arrives because they were sleeping.
