

Big, bigger, biggest

Look below to see how we change the "amount" that an adjective expresses.

Big is an adjective.

Bigger is a **comparative** adjective.
It is used to compare two things.

Biggest is a **superlative** adjective.
It is used when comparing three or more things.

Complete the pattern in this table.

Adjective	Comparative	Superlative
old	<u>older</u>	<u>oldest</u>
young	_____	_____
soon	_____	_____
late	_____	_____
quick	_____	_____
slow	_____	_____

Now try these - but be careful!

Adjective	Comparative	Superlative
good	_____	_____
more	_____	_____
