

Name: _____

Spelling List

Story Title: Max's Words

Objective: Spell words with long and short vowels

Strategy: Listen for the difference in pronunciation between long and short vowels when you say words aloud. For example, hear the difference between the "a" sound in the words "acorn" and "hat." Examples of word pairs that demonstrate between other long and short vowels include "leaf/egg", "pine/picture", "cone/sock" and "flute/truck."

If you got 100% on the basic list pre-test, then use the challenge list for the spelling post-test this week.

Basic List		Challenge List	
math	cheese	comb	polish
toast	June	holiday	desire
easy	elbow	mascot	telephone
socks	program	champion	swallow
Friday	shiny	fraction	inspect
stuff	piles	graph	advice
