Class Video Clip 1

- Clip 1 - Olivia (grades) goes to class alone, meeting friends her first day of school
- Does Olivia give good advice?
 - Do you feel shy/nervous in a new situation?
 - What are some ways to push past it and make new friends?

Read story excerpt (14)

- How does it feel to be the new kid in class?
- How could you make Olivia feel welcome if she was new our class?

After discussion, have the students brainstorm in their journals ways that they can be friendly and show respect to the following groups of people: **classmates, teammates, younger kids on the playground, sibling, and a new student in class.**

Create a class TREE MAP of all the ways to show friendship/respect to the groups above.
