

## Food Chains and Food Web Test Review

- 1.) Is a plant or an animal usually a producer?
- 2.) Is a plant or an animal usually a consumer?
- 3.) Do the producer, consumer, or decomposer go at the bottom of a food web?
- 4.) Circle the correct food chain:  
GRASS → GRASSHOPPER → FROG → SNAKE  
DECOMPOSER → CRAB → HERON
