

Read the following text and do as indicated.

Tony Parker lives in a small flat in Liverpool. He lives with three other friends who are students at the university of Liverpool.

They all work hard all the week, and at the weekends they invite a lot of friends to their flat. They cook meals for them, go out to the pub or stay at home to listen to music or watch TV.

Tony has two jobs. On Mondays and Tuesdays he works in a hospital, where he helps to look after children who are ill. He goes to hospital by bus. He starts at 9.00 am, and works until 5.00 pm. On Thursdays and Fridays, he works at home. He has a computer in his bedroom and he uses it to write children's books.

In the evening, one of the boys cooks food and after dinner they usually look in the newspapers to see what's on TV or talk about their day.

They usually go to bed at about midnight.
