Mythological Mash-Up

Challenge: Create your own Greek mythological creature by combining the attributes of multiple actual Greek gods, goddesses, or other mythological creatures, or brainstorm and invent your own.

Art Production: From the brainstorming you do on this worksheet you will create a drawing, then a clay sculpture, of your invented mythological creature.

Fill in the blanks below. You may answer them in any order, as the ideas come to you. (Example: you may not decide on your creature's name until you have filled in all other blanks.)
