

## What should students do inside the Library?

1. Students should speak in a low and soft voice at all times because it will keep a peaceful atmosphere.
2. **Students should not write anything on the pages of books because it makes the book look ugly.**
3. *Students should not tear any pages from the books because once pages are torn, it cannot be read again by other students.*
4. **Students should read books quietly and share the things they have learned to their classmates, friends, and family because it is good to share information with each other.**
5. *Students should return books to their proper shelves because it makes the library look orderly.*
6. Students should not bring books out of the library and at home.
7. Students should follow these rules to maintain a clean, quiet, and an orderly library.
