### Where am I? Inference Worksheet

An inference is a conclusion reached on the basis of evidence and reasoning. It is an educated guess based on observation and background knowledge.

Directions: Read each given sentence below and make an inference about it.

*Example A: I am in the country with colors that are red, white and blue.*

*Answer: Inference: I am in America.*

1. I am at a place with lots of sand and water with waves.

Inference: \_\_\_\_\_
