Name/write the five vowels.

Remember:

Most nouns are made plural by adding "s."

We add "es" to a noun if it ends in:

x, sh, ch, s, or ss

When words end in a consonant and y we drop the y and add "ies" to make the word plural.

When words end in a vowel and a y, we add "s" to the end to make it plural.

Pick three words from above. Write each word's plural in a sentence.
