

Michael Jackson – First 8

They will be their greatest love
They will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love

They will be their greatest love
They will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love

Just look at, look at, look at
The first time they will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love

They will be their greatest love
They will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love

They will be their greatest love
They will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love

Just look at, look at, look at
The first time they will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love
The first time they will be their greatest love
