

Personification

Personification means giving human qualities, feelings, action, or characteristics to non-human objects.

Directions: Tell what is being personified in the following sentences. Explain what each sentence means.

1. The cloud scattered rain throughout the town.
2. The tropical storm slept for two days.
3. The stars danced in the sky at the beach.
4. The setting sun told the lost hikers which way was west.
5. The little hill dreams of becoming a big mountain.
6. The waterfall sang a lullaby to the weary campers.
7. The moon looks down upon the sleepy earth at night.
8. The laughing stream guides us to the river.
