COLOR

I'm a big rectangle
Long and green,
I could be a turtle
Or an old fat queen

I'm a perfect circle
Round and big,
Color me purple
And I could be a pig

LEARN

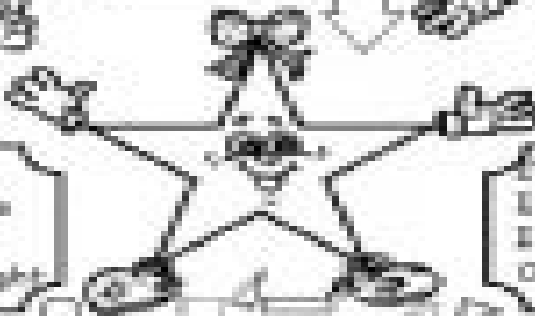

I am a triangle
Orange and blue,
I could be a cone
Drawing just for you

I'm a yellow star
Up in the blue sky,
I'm going very far
So tell me 'Goodbye'

I'm a little square
Straight and white
I could be a horse
If you draw me right

I'm a brown oval
I could be an egg,
I could be a squirrel,
Or your old granddad
