Project Directions

PIG

Pattern:
Page 41

Materials:
One 9" white paper plate
One 6" white paper plate
pink paper, black paper, pencil, crayons or markers, scissors, glue

Patterns can also be copied onto white paper and colored with crayons or markers.

1. Glue a 6" plate one-third down the right side of a 9" plate. Both plates should be facing down.

2. Glue the snout to the 6" plate.

3. Draw eyes onto the 6" plate.

4. Fold the ears down along the dotted line. Glue the ears behind the top of the 6" plate.

5. Cut the tail along the dotted line.

6. Glue the tail behind the side of the 9" plate.

7. Glue the feet to the inside bottom of the 9" plate.
