MY FAMILY TREE

Fill in the blanks with your family's name and draw how they look like!

The diagram is a family tree template enclosed in a dashed border. It consists of several rectangular boxes connected by lines to represent family relationships. At the top level, there are two boxes labeled "Grandfather". Below each "Grandfather" box is a box labeled "Grandmother". These two "Grandmother" boxes are connected by a horizontal line, and a vertical line descends from the center of this line to a box labeled "Mother". To the right of the "Mother" box is a box labeled "Father". A horizontal line connects the "Mother" and "Father" boxes, and a vertical line descends from the center of this line to a row of three boxes. The left and right boxes in this row are labeled "Brother or Sister", and the middle box is labeled "Me". Each box has a name label at the top and a larger empty space below for drawing. The background of the page features faint, stylized outlines of apples and leaves.
