

The image shows a template for a postage stamp envelope. It consists of a central rectangular area with a dashed border, a top flap with rounded corners, and a bottom flap with rounded corners. A solid horizontal line is drawn near the bottom of the bottom flap. The text 'Postage Stamp Envelope Template' is centered in the top flap area. Below the title is a list of five instructions for creating the envelope.

Postage Stamp Envelope Template

1. Cut along all solid lines
(including the line in the bottom rectangle).
2. Fold along all dotted lines.
3. Decorate as desired.
4. Do not glue!
Instead, fold in side flaps, fold up bottom,
and fold top-down, tucking into the slit you made.
5. Fold your postage stamp sheets
and tuck them in for safe keeping!
