

How to Conjugate ER Verbs

The following are step-by-step instructions for conjugating regular ER verbs in the present tense according to the personal pronoun doing the action.

Step 1: Remove the ER ending. This will leave you with the stem or root of the verb.

Example: CORRER → CORR

Step 2: Choose an ending according to the chart below. Add that ending to your stem/root from Step 1.

Example: YO + CORR + O = YO CORR**O**

Regular ER Verb Endings

Yo-	O	Nosotros-	AMOS
Tú-	ES	Vosotros-	ÉIS
