## Themes

**Directions:** Write the two most important themes from your book in the areas provided. Then, find three quotations or examples to illustrate each of those themes.

The diagram is a hierarchical graphic organizer. At the top, there are three empty rounded rectangular boxes. Lines connect these three boxes to a central rounded rectangular box labeled "Theme 1". Below "Theme 1" is another central rounded rectangular box labeled "Theme 2". Lines connect "Theme 2" to three more empty rounded rectangular boxes at the bottom of the page. This structure allows students to identify two main themes and then provide three examples for each.
